Sears Systems

“you” and/or “your”. This is a Home Service Agreement, not an insurance policy.

This Agreement is intended to provide protection against the cost of repairing certain types of mechanical failures of specific Items in your home. **Please read the Agreement carefully. Coverage includes only certain mechanical failures of the specific Items listed as covered on your Agreement Coverage Summary and excludes all other failures and/or Items. The Agreement Coverage Summary is attached to and made a part of this Agreement.** Coverage is subject to the limitations and conditions specified in this Agreement.

This Agreement has provisions for the use of final and binding arbitration to resolve disputes and otherwise limits the remedies available to you. Please see DISPUTE RESOLUTION section for more information about arbitration.

I. BASIS FOR COVERAGE

We agree to pay the covered costs to repair or replace the Items listed as covered on your Agreement Coverage Summary (“Covered Items”) if any such Covered Items become inoperable during the term of this Agreement due to mechanical failure caused by routine wear and tear, subject to the terms and conditions of this Agreement. Determination of coverage for any claim will be made solely by us, considering, without limitation our independent service contractor’s diagnosis. We reserve the right, at our option, to replace Covered Items rather than repair them. The definitions of the specific Items that may be listed on your Agreement Coverage Summary as covered, as well as other limitations on coverage and other terms and conditions, are listed below.

This Agreement covers only mechanical failures relating to the mechanical parts and components of those domestic-grade Covered Items that were in the home and in proper operating condition on the Agreement effective date. “Domestic-grade” items are those that were designed and/or designated by the manufacturer, manufactured and marketed solely for installation and use in a residential single family dwelling. “Mechanical failure” occurs when a Covered Item becomes inoperable and unable to perform its designed function, subject to the limitations and conditions set forth herein. Mechanical failure is not covered if it is due to lack of routine care and maintenance or misuse. We will cover a pre-existing mechanical failure provided the failure could not have been detected by visual inspection or simple mechanical test prior to the effective date of the Agreement. A visual inspection of the Covered Items is considered to mean the viewing of an Item to verify that it appears structurally intact and without damage or missing parts that would indicate inoperability. A simple mechanical test means the ability to turn the unit off and on verifying the Item operates without irregular sounds or smoke that may indicate a problem. In certain instances, we may require documentation from you during a claim review.

Mechanical failure of kitchen/laundry appliances, air conditioning system and heating system due to rust and corrosion is not covered, unless such failure occurs after the Agreement effective date. The Covered Items will be deemed to have been in “proper operating condition” on the Agreement effective date if it was correctly located within the home, was properly installed to code at the time of installation, was fully connected, was capable of successfully performing all operations commensurate with the manufacturer’s original design intention, and did not pose any hazard to life or property. Determination of the operating

condition as of Agreement effective date, and the nature of any failure, will be made by us based upon the professional opinion of our direct employees, considering, without limitation, our independent service contractor's diagnosis.

- 1. When repair or replacement services covered by this Agreement are required, you must telephone us at the toll-free service number printed on your Agreement Coverage Summary page. Telephone service is available twenty-four (24) hours a day, seven (7) days a week.** You must notify us immediately upon discovery of any mechanical failure, and prior to the expiration of the term of the Agreement during which the failure occurred. **If you fail to notify us of any mechanical failure prior to the expiration of the term of the Agreement during which the failure occurred, we will not be responsible for the cost of any repairs and/or replacements resulting from the mechanical failure.**
- We will provide you with a referral to an independent service contractor. We will use reasonable efforts to provide a referral to an independent service contractor within two (2) hours after the service request is received during normal business hours and within twenty-four (24) hours for requests received after normal business hours and on weekends or holidays. In the event we determine, at our sole discretion, that there is an emergency situation requiring expedited service, we will make reasonable efforts to expedite service. We will determine, at our sole discretion, which repairs constitute an emergency and will give consideration to covered mechanical failures that affect the habitability of the dwelling.
- We have sole authority to select independent service contractors. All repair and/or replacement work covered by this Agreement must be performed by a pre-approved independent service contractor, and all repair and replacement services must be approved by us in advance. **We are not responsible or liable for and will not cover any expenses you incur without our prior express consent, and we will not reimburse you for any costs you incur associated with unauthorized repair or replacement work performed by unauthorized contractors.**

the service call and for actual work performed and/or Item installed, up to the amount of the deductible at the time of visit(s), in a manner acceptable to the independent service contractor. You are responsible for and shall pay the independent service contractor for any amounts due for services performed or parts installed that are not covered under the terms, conditions and provisions of this

Agreement. A service call includes, without limitation, inspecting, diagnosing, and/or performing service for the repair or replacement of a malfunctioning Item.

5. You will provide access to the covered property during normal business hours for the independent service contractor to diagnose, obtain approval for, and/or complete repairs for covered mechanical failures. You will pay us and/or our independent service contractor for any service charges and additional charges assessed by our independent service contractor resulting from your failure to provide access to the covered property and/or for missed appointments.
6. Should any building or zoning permits be necessary, you are responsible for paying for and/or obtaining these permits and the cost associated with these permits.
7. At our discretion, we may elect to replace a Covered Item rather than repair it. **The decision to replace rather than repair Covered Items is solely our option.** Should we choose to replace a Covered Item the replacement will be the base model that meets all applicable federally mandated minimal manufacturers' standards, performs the same primary function, and has a capacity comparable to the Covered Item, when available with domestically assembled units. With respect to kitchen/laundry appliances, we will make reasonable efforts to provide replacement Covered Items having similar mechanical capabilities and/or efficiency of the original unit, when available. We are not required to provide exact match in color, dye, lot, material, type or brand. When replacing systems or appliances, we will be responsible for the installation of the replacement Covered Item but not for the cost of the construction, modifications, carpentry or transitional work made necessary in order to accommodate the replacement, nor for any costs to upgrade or modify Covered Items for any reason. Should we determine to replace Covered Item and you instead choose to effect a repair, that Covered Item shall be excluded from further coverage under this Agreement and subsequent renewals.
8. At our discretion, we may give you the option to elect to receive a repair/replacement credit or cash payment (net of deductible) in lieu of providing a repair. In such cases, the amount of such credit shall be equal to the lesser of the approved cost of repair or the estimated cost of replacement. If you elect a credit to our independent service contractor, we will pay that amount directly to the independent service contractor after the work has been completed. If you elect the cash payment, you must supply documentation supporting that the Item in question has been purchased, replaced or repaired prior to receiving the cash payment. Any replacement Item must be installed in the covered property as listed on the Agreement Summary Page. **The amount of the approved cost of repair or replacement will be established by us at our sole discretion.** We reserve the right to inspect repaired and/or replacement Items.
9. We reserve the right to obtain, at our expense, a second opinion by an independent service contractor prior to determining eligibility for coverage.

Mobile homes constructed within ten (10) years of the effective date of the Agreement are eligible for coverage, provided they are permanently secured to the ground and, you own the land on which the mobile home is located. Mobile/manufactured homes that are located in a division operated similar to a condominium, where maintenance is provided, are also eligible for coverage.

VI. CANCELLATION

1. You may void this Agreement within 30 days of the coverage effective date for a full refund of the contract fees paid if no claim has been made. The right to void this Agreement as provided in this paragraph is not transferable. A ten percent penalty per month will be added to any refund required under this paragraph, including any accrued penalties, that is not paid or credited within 30 days after termination of this Agreement pursuant to this paragraph.
2. You may cancel this Agreement within 30 days of the coverage effective date if a claim has been made, or at any time thereafter, at which time you may be entitled to a refund of unearned contract fees paid based on the short rate schedule less a processing fee of twenty-five dollars (\$25) and less the cost of any services performed pursuant to the Agreement, where permitted by law. If the refund calculation results in you owing us payment for services provided, we may bill you for the lesser of the net amount due to us or the unpaid annual term contract fee. We will bill or charge you any balance owed to us through the same mechanism as any previous installment billings, or we will direct bill you if such a mechanism is not available.

3. We may terminate this Agreement immediately, after any applicable notice provisions, for non-payment, fraud or material misrepresentation. If we terminate for fraud or material misrepresentation, this Agreement is void and we shall refund all paid contract fees if no claims have been made. If a claim has been made, we will follow normal cancellation procedures as outlined in this section.

Arbitration shall be conducted within the geographical limits of the applicable federal district court where the Covered Property is located, or such other location upon which both parties mutually agree. The Commercial Arbitration Rules and Supplementary Procedures for Consumer-Related Disputes of the American Arbitration Association (the “Arbitration Rules”) in effect at the time arbitration is demanded by either party shall govern the arbitration proceeding and the selection of one neutral arbitrator to preside over the proceeding. The arbitrator is empowered to decide all Disputes and all questions related to the enforceability and scope of these Dispute Resolution provisions, including but not limited to the validity, interpretation and applicability of these Dispute Resolution Provisions. Additionally, this transaction involves interstate commerce, and these Dispute Resolution provisions shall be governed by the Federal Arbitration Act, as amended (9 USC 1). No arbitration may proceed on a class or representative basis, and the arbitrator may not consolidate any arbitration proceeding governed by these Dispute Resolution Provisions with any other person’s arbitration proceeding, and may not otherwise preside over any form of a representative or class proceeding. Under the Arbitration Rules, although each party is required to pay certain administrative and arbitrator fees, the amount the consumer may be required to pay is limited. Each party to arbitration is responsible for its own attorney’s fees, if the party chooses to be represented by an attorney.
2. **CLASS ACTION AND JURY TRIAL WAIVER:** Each party to this Agreement may bring a Dispute against the other only in its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. Each party gives up or waives any right it may have to have any Disputes between them resolved by a jury.

6. **Disclosure.** The price of the Agreement includes the full amount of all fees due and payable as well as the costs of processing and administration for the Issuing Company and its agents where allowable by law. Any applicable state or local sales taxes are in addition to the price of the Agreement.
